Dhanurmaasam Program

Worship of Lord Vishnu and Andal (Godadevi) during the morning hours in Dhanurmaasa is considered highly auspicious. There is a belief that worshipping Lord Vishnu on a single day during Dhanurmaasam is equal to worshipping him for thousands of years. Vishnu Sahasranaama and Thiruppavai, a divine text written by Andal, are recited by all devotees. Every day, AHT will recite Thiruppalliyezucci & Thiruppavai followed by Pongal Prasadam. AHT is also organizing several vishesha (special) sevas for the Lord which include Deepa alankara Seva, Oonjal Seva, Bhogam and Samchara Seva (at Devotees homes). Participation in all these sevas is Free.
